The government files this document to notify the Court of the potential resolution in this case. The parties are negotiating plea agreements with the objective of entering their changes of pleas next week (depending on the Court's and the parties' availability). The parties will advise the Court as soon as a resolution is reached.

Once the defendants change their pleas, the pending motions will be moot. Accordingly, the parties request that the briefing scheduling regarding the *Daubert* hearing be altered slightly. The

parties request that the deadline for the government's response regarding the *Daubert* hearing be extended from December 12, 2014 to December 19, 2014.
